

Campus Recruitment & Placement Guidelines

1. Eligibility Criteria

To participate in the campus recruitment drive, students must satisfy the following conditions:

- Must be in the final year of their undergraduate or postgraduate program.
- Must maintain a minimum CGPA of 6.5 with no active backlogs (failed courses) at the time of registrations.
- Must have completed the mandatory 8-week summer internship and submitted the internship completion report.

2. Registration Process

Students must register on the Central Placement Portal by September 1, 2026. A non-refundable placement registration fee of \$50 is applicable. Registrants must upload their verified resume in PDF format. Resumes cannot exceed one page and must follow the standard university template.

3. Job Offer Policy (One Student, One Job)

The university enforces a strict 'One Student, One Job' policy to ensure equal opportunities. Once a student receives an official offer letter from a recruiting company through the placement cell, they are automatically deregistered from the placement portal and cannot apply for subsequent campus interviews. Exceptions are made only for 'Dream Offers' (companies offering a package at least 1.5 times the current offer value), subject to prior approval from the Placement Director.

4. Code of Conduct

Absence from a scheduled interview without 24-hour advance notice will result in immediate debarment from the entire placement season. Formal business attire is mandatory for all presentations, tests, and interviews.
